The financial services we provide

We provide general financial product advice on and issue general insurance products to retail and wholesale clients.

We issue products and assess claims relating to them, under a binding authority provided by the insurer, AIG Australia Ltd ABN 93 004 727 753 AFSL 381686 (AIG). This means that we act on behalf of AIG and not you when doing these things.

Any advice we provide or publish is general in nature. It has been prepared without taking into account your objectives, financial situation or needs. Consider its appropriateness for you in light of these things and read the Product Disclosure Statement for a policy before making a purchase.

Other documents we may provide

When we offer to provide you with insurance, we'll provide you with a Product Disclosure Statement (PDS) that contains information about the terms and conditions that apply to the policy. This may be provided to you in person, by mail or electronically by email or through a hyperlink from our website or quoting platform. Before buying the insurance, make sure you read the PDS and save it somewhere safe for future reference.

If you'd like the PDS or this FSG to be sent to you by email, contact us using the contact details on the first page of this FSG.

How we are paid

We receive remuneration from AIG for each policy we issue or renew. This is up to 27.5% of the base premium paid for the policy.

If you purchase a motorcycle policy and also purchase Roadside Assistance, we will receive the following remuneration from 365 Assistance Pty Ltd ABN 59 160 076 200:

- \$70 - \$80 plus GST – if you purchase Roadside Assistance through one of our websites.

If you enter or renew a premium funding arrangement and pay by the month payment plan with Principal Finance Pty Ltd, we will receive a referral fee of 2% of the gross premium.

We charge the following fees in relation to the policies we issue:

- An administration fee – when you purchase or renew a policy. This is:
 - \$60 plus GST - for caravan policies

 - \$55 - \$60 plus GST - for boat, personal watercraft and Kawasaki jet ski policies

We may receive an annual profit share from AIG. The profit share is a percentage of the net profit (if any) earned by AIG in respect of policies issued by us. It is calculated by AIG based on premiums generated less certain costs, expenses, fees and liabilities in relation to the relevant policies.

The IDR Specialist that reviews your complaint will be a representative of either NM Insurance or AIG. They may refer the matter to an IDR Committee, but will provide a written response and final decision about your complaint within 15 business days of your escalation (unless you've agreed to give them more time).
